Range

AKUSTIK

This series is designed with a desire to improve the acoustics of the home. The combination of wooden slats and felt is not only thought into the design to please the eye - but just as much to deflect and engulf reverberation.

Designed by

Steffensen & Würtz

This range include

Sideboards | HIFI sideboards
Highboards

Features

Design elements

Choose between different designs.

Custommade

In addition to our many standard sizes we can accommodate special requests.

Wood colours

Choose between more than 10+ different wood colours in both ash and oak.

Sustainable choice

Solid wood furniture can last a lifetime with proper maintenance
