AKUSTIK

This series is designed with a desire to improve the acoustics of the home. The combination of wooden slats and felt is not only thought into the design to please the eye - but just as much to deflect and engulf reverberation.

Designed by

Steffensen & Würtz

This range include

Sideboards | HIFI sideboards
Vitrines | Cabinets
Dining tables | Coffee tables
Shelving Units

Features

Design elements

Choose between different designs.

Custommade

In addition to our many standard sizes we can accommodate special requests.

Wood colours

Choose between more than 10+ different wood colours in both ash and oak.

Sustainable choice

Solid wood furniture can last a lifetime with proper maintenance

CUSTOMISED TABLES

We are able to produce all our table types in special sizes. Furniture in special sizes requires special handling both in terms of manual handling, new drawings, machine settings and packaging. We therefore include a sur-charge for products in special sizes, whether the product will be larger or smaller. If you want a table in a smaller size e.g, the price is added 15% on the price of the nearest standard size.
