## FSC® CERTIFICATE

*A commitment for a better tomorrow*

---

We are happy to announce that from 2021 we have achieved the certification that enables us to offer FSC®-labelled products. FSC® stands for "Forest Stewardship Council" and is an international non-profit organisation dedicated to promote responsible forestry. FSC® certifies forests all over the world to ensure that they meet the highest environmental and social standards.

By signing this contract, we have committed ourselves to living up to stricter social requirements and a more sustainable production. We are proud of supporting the FSC® with their work in looking after the forest workers and the wood industry, as well as fighting unsustainable, illegal forestry and deforestation.

The FSC® certification is one of our key initiatives in creating a more sustainable production. We acknowledge that this sustainable transition is a longer journey and not something that happens overnight. But each day they we are committed in doing a little better than yesterday and keep making progress in this matter.

## CUSTOMISED TABLES

We are able to produce all our table types in special sizes. Furniture in special sizes requires special handling both in terms of manual handling, new drawings, machine settings and packaging. We therefore include a surcharge for products in special sizes, whether the product will be larger or smaller. If you want a table in a smaller size e.g, the price is added 15% on the price of the nearest standard size.
